IMPORTANT NOTICE TO ALL MANAGERS AND STAFF MEMBERS:

FESTIVE GREETINGS BY THE MAYOR CLLR TEBOGO MODISE: DECEMBER 2018

To Management and Staff

Ratlou Local Municipality

It has never been an easy road to be where we are today. We started this year with quite a number of challenges ranging from lack of stability due to service deliver unrests plunging our communities and internal impediments such senior positions that remained vacant including that of the Municipal Manager and the Chief Financial Officer to mention just a few. However, amid all those challenges, you as employees of this Municipality, you steadfast and true to ensure that this institution remains focused and deliver essential services to our communities. Hence it will always be sensible for me as the Mayor to extent my sincere gratitude's and thanks to you and your loved once. You heed the call of duty as Public Servants and as such deserves applaud from me as the Mayor on behalf of the entire Ratlou Council. We once more thank your loved ones /family for given us such a valuable and dedicated asset in you, an employee of Ratlou Local Municipality.

During this time of the year, multitudes of people will take to the roads to visit family, loved ones or travel to various holiday destinations and as Municipality we are hoping for the same of our employees and their families. Remember this season is annually marked by an increase in road accidents, crime, drowning`s injuries and deaths. It is therefore our wish that we avert such mishaps to all of our employees and their families. During year-end holiday period road traffic law enforcement officers and other law enforcement agencies will step up safety operations to ensure people are safe. Let us all play our role and make road safety everyone`s business as together we can make our roads safer. As government we call on all South Africans to take responsibility for themselves and others while driving. My message to you is that, don`t drink and drive or text and drive, check your vehicle`s road worthiness before taking a journey. Lastly, don`t become a victim of crime during this festive season. Thank you for your support during 2018 as I am looking forward to working with you in 2019. I hope that you, your family will enjoy the festive and holiday season. I wish you comeback re-energised and revitalized to face head-on service delivery challenges in the year ahead

LET US MAKE 2019 THE YEAR WHERE WE MOVE RATLOU LOCAL MUNICIPALITY FORWARD.
